

DISCLAIMER

The PAP foundation web site is intended to provide basic information about pulmonary alveolar proteinosis (PAP). It is not intended to, nor does it, constitute medical or other advice. Readers are warned not to take any action with regard to medical treatment or otherwise based on the information on this Web site without first consulting a physician. The PAP Foundation does not promote or recommend any treatment, therapy, physician, physician group or practice, institution or health care plan.

The information contained in this Web site is intended for your general education and information only and not for use in consideration or pursuit of any particular treatment, therapy or course of action. Ultimately, decisions regarding treatment of any patient must be individualized after appropriate medical evaluation and a thorough discussion with the patient's physician(s).

WEB LINKS

The PAP Foundation provides links to other Web sites that are not under the control of the PAP Foundation. These links are provided for convenience of reference only and are not intended as an endorsement by the PAP Foundation. The PAP Foundation does not warrant against human and machine errors, omissions, delays, interruptions or losses, including loss of data. Nor does the PAP Foundation make warranties that Web sites to which links are provided will be free of infection by viruses or other harmful mechanisms that manifest contaminating or destructive properties. The PAP Foundation Web site does not implement "pop-up" advertisements and does not endorse or recommend products or services for which you may view a pop-up advertisement on your computer screen while visiting our site. Any pop-up advertisements that appear while viewing the PAP Foundation Web site will likely have been produced by other Web sites you visited or by third-party software installed on your computer. Users of the PAP Foundation Web site are responsible for (1) implementing and maintaining adequate protective measures to satisfy their particular requirements to avoid computer threats and ensure the accuracy of data input and output and (2) maintaining a backup of important data, external to the Web site, for purposes of reconstruction of any lost data, should such loss occur.

LIMITATION OF LIABILITY

In no event shall the PAP foundation or its affiliates be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement or substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, (including negligence or otherwise) arising in any way out of the use of this system, even if advised of the possibility of such damage. This limitation of liability applies to any damages or injury, including but not limited to those caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation, transmission, email, computer virus, communication line failure, theft, destruction, unauthorized access to, alteration of, breach of contract, negligence, or under any other cause of action. Every effort has been made to ensure the accuracy and completeness of the electronic documents and resources provided on this Web site. As a condition of use of this Site, the User agrees to indemnify the PAP foundation and its affiliates from and against any and all actions, claims, losses, damages, liabilities and expenses (including reasonable attorneys' fees) arising out of the User's use of this Site, including, without limitation, any claims alleging facts that if true would constitute a breach by the User of these Terms and Conditions. If the User is dissatisfied with any Material on this Site or with any of its Terms and Conditions of Use, the User's sole and exclusive remedy is to discontinue using the Site.
